### Feedback Question – Three Three's

Make the numbers from 1 to 10, using only three 3's (no other digits are allowed) and any combination of the symbols: + − · ÷ ( )  $\sqrt{\quad}$ . The number 1 is done for you. Note: think fun has made a game based off this puzzle called Math Dice.

$$3^{3-3} = 1$$

$$= 6$$

$$= 2$$

$$= 7$$

$$= 3$$

$$= 8$$

$$= 4$$

$$= 9$$

$$= 5$$

$$= 10$$
